JUDGMENT (Per Sri B.Prakash Rao, J)

Heard the Government Pleader for the appellant and the learned counsel for the respondent.

The appellant herein, who is the Executive Engineer seeks to assail the order dismissing the writ petition filed seeking to assail the orders of the Award of the Labour Court wherein the action of removal on the part of the appellant was assailed and ultimately set aside with a direction for reinstatement with back wages.

Though several contentions have been urged on behalf of the appellant, however, the fact remains that the Labour Court after holding an enquiry and considering the evidence and material available on record has come to the conclusion and in the circumstances nothing exercised discretion for awarding back wages and especially when the learned single Judge did not find any error in regard thereto. Hence there are no merits in the appeal and we do not find any justification to interdict the same.

Accordingly, the writ appeal is dismissed. No costs.
